Thank you for taking the time to review the attached application. Following are scholarship guidelines and procedures:

Who May Apply

Applicant must be an African American male student who meets the following criteria:

- Shows evidence of scholastic achievement, good moral character, community service involvement, and financial need.
- Plans to attend an accredited college or university beginning Summer or Fall Semester 2023. ***This includes Technical Colleges and other two-year college programs.***

How to Apply

- Complete an application.
- Submit two letters of recommendation. One letter must be from the applicant’s high school counselor, teacher, or administrator. The second letter should be from a representative of a community service organization.

- Attach a copy of college acceptance letter. If you do not have an acceptance letter by the application deadline, you must provide this information prior to receiving the scholarship.
- Write a one-page essay outlining your educational goals and career aspirations (use Time Roman with 12 font double spaced).
- Attach a recent photo - head and shoulder shot in color with jacket and tie. Winners will be asked to submit an electronic copy of essay and a picture at a later date.

Important information regarding the awarding of scholarships:

Although an applicant may be selected to receive a scholarship, the scholarship will not be awarded until the recipient submits a letter of acceptance and verification of summer or fall semester enrollment (e.g., copy of your student ID) at an accredited college or university.

Historically, the Foundation has a requirement that the recipient and a parent/guardian must attend the Theta Lambda Lambda Scholarship Awards Program held at a location in Coweta or Fayette County in April of the graduation year. We may remove this requirement for this year's Scholarship Awards Program.
